[FundForum International](#) returns to Berlin on 11 – 13 June and it promises to be better than ever! Take your pick between 5 different pillars that run throughout the 3 days as well as new and exclusive networking features.

What are the five pillars that make up FundForum International 2018?

- **Business Leaders Forum**  
Hear what fund buyers and asset owners really want. Explore changing distribution models and new digital service propositions.
- **Fund Buyer Solutions**  
Join extended sessions with fund buyers and thought-leaders as they discuss portfolio construction 2.0. Identify the key trends that will deliver success across active and passive asset classes.
- **FundForum Ops**  
Dedicated to helping top COOs respond to new strategic and operational challenges across the back and middle office.
- **FundForum Global ESG**  
Join an extensive investor-led forum exploring the latest best practice around why and how to incorporate ESG and impact in the portfolio.
- **FutureFinance 2.0**  
Join a top-tier think tank investigating how the industry can collaborate and apply technology to deliver financial security to the customer.
